Software Freedom Day

It's a worldwide event - learn more at: https://digitalfreedoms.org/sfd

Join us at: Montclair State University.
1 Normal Ave. Upper Montclair, NJ
Room: PCIS 133

Learn how to:

Use your computer after the manufacturer stops updating it.

Try software that you don't have to subscribe to, and can help sustain.

Choose online services that respect you, or host your own online

Use social media that serves YOU, not someone else.

All using Free Software, and participating in the Free Software Community
